***Shipping Information:** There is no shipping charge if you order a timer. For faster shipping or other items call for price.
****NOTE:** It takes us 2 WEEKS to custom-build your timer. If you would like it built faster, call us to determine if we can make your deadline. A rush charge of 10% will be added to the price of the timer. For shipping outside the continental US, call for quote.

IMPORTANT! TRACK MEASUREMENTS!

If you have a Beta Craft, Best Track or Piantodosi track, you don't have to put in the track measurements - just check one:
 Piantodosi Aluminum Piantodosi Wooden Best Track Beta Craft (add \$20.00 for Quick Mount - put QM as Item.)

HOW TO MEASURE:

Stand as if you were looking at our timer on your track.
 Put the measurement from the left edge of the track to the center of each lane
 For Tracks over 35 ft. - include whole track length:
